PIM: Late Cancellation

PIM 2009-001: Late Cancellation

The purpose of this PIM is to specify when a Game Change Request shall be considered Late, for which fines shall apply. Late changes and late cancellations negatively affect MVLA's ability to assure referees for our games, cost MVLA extra referees fees, and may waste field capacity. This PIM is referenced in MVLA's Game Scheduling Responsibilities Manual, in the section describing Team Manager/Coach Responsibilities.

Policy Interpretation:

1. Any MOVE, FORFEIT, OR CANCEL change to games after 12:00pm noon five (5) days prior to kickoff will be assessed a fine.
 - a. For Friday games, deadline is prior Sunday 12:00pm noon.
 - b. For Saturday games, deadline is prior Monday 12:00pm noon.
 - c. For Sunday games, deadline is prior Tuesday 12:00pm noon.
2. The fines effective for Fall 2009 shall remain in effect until this PIM is changed:
 - a. \$100.00 small sided (typically 8v8),
 - b. \$130.00 11v11.
3. MVLA Field Coordinator (FC) will issue invoices for fines, copying Treasurer, based on time stamp on email requests.
4. Fine must be paid to MVLA and sent to MVLA Treasurer prior to end of current season.
5. If MVLA FC moves the game, or if there is a rain-out, fines will not apply.
6. ADD changes requested after the deadlines for certain Extra Games shall not incur a fine, however other fees may apply (see separate PIM listing Extra-Game Fees). Late ADDS run the high risk of not being uploaded to the Master Game Allocation or to Arbiter in a timely manner or, if even if uploaded, may not get referees due to short notice.
