#### ***Section 8: Lock Combinations (Password Protected)***

#### ***Appendix A: LAHS Usage Policy***

#### ***Appendix B: MVHS Usage Policy***

### **Introduction:**

All MVLA team Managers and Coaches are expected to read this Manual in its entirety. Please communicate our policies to your teams, including players and parents. You may cut and paste sections as long as no lock combinations are included. Make sure you stay atop of new editions as field information changes pretty regularly. When in doubt, contact the Field Coordinator and if that person is unavailable, use your common sense to preserve and manage our fields.
